

# Earth Science Supply List 2013-2014

## THE "MUST-HAVES":

**#2 PENCILS** You should have at least 1-pack of pencils. We do not use pens in class, except for when correcting assignments.

**COLORED PENCILS** We do interactive Notebooking and will only use colored pencils on the inside (not markers)!

**Glue Sticks** As mentioned, we do interactive Notebooking and will frequently use glue sticks. You should only need about 2 over the course of the school year, however, we use our notebooks daily and you may need more.

**POCKET FOLDERS** You will need 1-folder designated specifically for EARTH SCIENCE class.

**FLASH DRIVE/MEMORY STICK** You do not need this specifically for EARTH SCIENCE. However, since some of your other classes may require you to have one, it's a good reminder! We may use these when we do work on the computers.

**SPIRAL COLLEGE RULE NOTEBOOK** This is a **MUST!** You will need *at least* 2 spiral notebooks for your science interactive notebooks this school year. Depending on how big you write and how well you keep your notebook organized, this amount may vary. In the past, 2 notebooks has been plenty for students (Think: 1-per semester).

**SCISSORS** You will need 1 pair of scissors (all year). Students tend to lose these, so make sure you are prepared and have yours with you! Put your name on them just in case.

**STICKY NOTES** We will use sticky notes in our notebooks and during interactive activities over the course of the year.

**TAB INDEX DIVIDERS** Tab dividers will help us to keep units (12) organized in your science notebooks. You will need the kind that stick to the page.

**HIGHLIGHTER**

**3 X 5 NOTE CARDS** Another **must!**

**PENS** It's always a good idea to have one black/blue pen and one red for correcting work.

*please see the other side!*

The following is a list of supplies we use on a daily basis. Any donation would be greatly appreciated! Visit: [www.reidsrad.weebly.com](http://www.reidsrad.weebly.com) OR the direct Supply List link: <http://www.teacherlists.com/> in order to see how we use these supplies.

## THE CLASS DONATION "WISH LIST":

Disinfecting Wipes

Tissues

Hand Sanitizer

Cardstock

Construction Paper

Colored Pencils

Markers

Rulers

Tabs

Sticky Notes/Dispensers

Glue Sticks

Dry Erase Markers

Scissors
